ABOUT US

The Hetauda Campus provides a worldclass and life supporting education in Nepal for students who aspire to gain local and global recognized practical qualifications from University. In this regard, we have a distinctive identity as the pioneering Community College in Nepal. We offer nationally and internationally recognized degrees and courses which are relevant to the present job market to enhance each and every student's opportunity of employability. We attract the best and the brightest students and, consequently, THC offers an unforgettable academic experience transcending limited boundaries with thought-provoking incision. Being the pioneering College in Nepal, we also provide our students with unparalleled international exposure and experiences. The defining characteristic of The Hetauda Campus is the local to global approach in the provision of our degrees and courses. Internships with banks, NGOs and multi-national companies serve as highlights of this unique student experience. Staffed by tutors and administrative personnel, the College provides the best education in Nepal

MESSAGE

FROM CHAIRPERSON

The core value of The Hetauda Campus is simply that our students will have an opportunity to be awarded with recognized degree.

We confirm that our students are equipped to pursue their desired career through our student-centered programs and activities. With expanded global competition, we as Institutional head has motivated the faculties and staffs to design and apply modern strategies of teaching and services to make THC destination of students.

The Hetauda Campus has seen numerous

excellent students realize their dreams of getting a recognized degree. I am pleased to congratulate our graduates. I also wish to extend a warm welcome to all who choose to study at The Hetauda Campus.

Munu Sigdel
Chairperson, THC

"The student know-how at
THC comes with magnificent
memories of good times and
challenges you had to face."

MESSAGE FROM CAMPUS CHIEF

*Our students are our true
ambassadors.*

Managing an institution that values practical exposure and qualitative education was a huge challenge for us in those days. Yet, here we stand today! It gives me great pleasure to welcome students from different parts of Nepal.

Education is all about setting you the inspiration to help you develop your own skills, the freedom to be creative, and the support you need to achieve your best. I am proud to run such academic institution

in Hetauda with local cost. The Academic atmosphere is very friendly and supportive. We regard each student as an individual and we put student prosperity as our prime priority.

A warm welcome to all of you! I look forward to this academic year where once again we will serve you for your excellent academic career.

Dr. Dev Chandra Manandhar
Campus Chief

"Welcome to The Hetauda Campus where you can enjoy success for your intellectual crowning, and working toward the summit of your ambition."

MESSAGE FROM THE CHAIRPERSON OF TEACHERS' ASSOCIATION

If I were assigned to describe The Hetauda Campus in one sentence, I would say that: THC is a student-centered, learning-focused, high-quality institution and center of excellence in practice.

You have a hectic and comprehensive study period ahead that will transform you forever. Current global awareness, teamwork, communication skills, and ethical decision-making, are qualities that are often neglected in colleges: not here at The Hetauda Campus. In addition to mastering the critical tools of analysis and conceptual foundations of your chosen field of study through a quality-assured and government and university-approved college, we stress the importance of blending knowledge across functions and

academic disciplines so that you can fully apply what you know in the practical "real world" of having a satisfying and rewarding job. Whether you take a Bachelor's degree or a Master's degree from this college, we will support you in increasing your individual "soft skills."

Together, we are preparing you for positions of responsible global leadership. Our academically and socially sound faculty members are not only advanced scholars but include experienced practitioners in their chosen field of action. Our expert and caring staff are here to help you succeed and grow - and also to have fun.

Bhupendra Koirala
Chairperson
Teachers' Association- Hetauda Campus

"Hetauda Campus ensures that we are providing you with the very best service experience."

— Mr. Prakash Dahal

Message From the Chairperson of Non-Teaching Staffs' Association

Welcome to The Hetauda Campus. We value your precious time with respect. We will offer you the opportunity to experience your priority at our best.

As a student studying with The Hetauda Campus, you are joining a vibrant institution. You are also taking a very important step towards gaining a practical qualification and we wish you all the best on your journey. We respect your feedback

and comment. Your feedback is important. It helps us to ensure that we are providing you with the very best service experience. As you embark on this exciting journey, I am very pleased to welcome you to the Community of Hetauda Campus. Be ambitious - you are the future.

Prakash Dahal
Chairperson, Non Teaching Staffs'
Association – Hetauda Campus

2. Dalit, Minority and Marginalized groups.
3. Recognized National Sports Personalities.
4. Differently abled students.
5. Intelligent and topper.
6. Merit baasis in entrance examination.
7. Late Shreechandra Sharma memorial scholarship.

The students who are regular in the class and each terminal examination will be provided scholarship after an interview by the scholarship committee.

Why Choose THC?

THC is home for students interested to meet challenges and expand intellectual boundaries. Every student is invigorated to challenge ideas, exposing the class to a wide range of perspectives. This helps them think independently, reason effectively, and learn successfully. The students also participate in a wide variety of co-curricular activities to develop individual professional and social skills. As one of the leading pioneer colleges in Nepal with motto of imparting detailed knowledge and skills of current trends and practices in the market, THC targets to guide and inspire students with an outstanding learning experience in modern competitive world. Furthermore, our affiliation with Tribhuvan University and National Examination Board along with our exceptional student facilities in the college ensures a wide range of academic and professional opportunities.

- ◆ Get value for money with a quality degree at a local cost: Our overall quality (student experience, academic standards, and programme delivery) is encouraged by devotion.
- ◆ The students will earn a university degree with practical skills rather than only theoretical knowledge
- ◆ To ensure that students get education they deserve: we have appointed academically and professionally sound teaching and non-teaching staffs from different national and international universities.
- ◆ We are dedicated in providing students with the complete competing and cooperating learning experience.
- ◆ Linked with UGC, TU and NEB: T H C students have access to regular guest lecturers and speakers from the reputed institution in Nepal.
- ◆ Scholarships are provided for deserving students.

Partnership and Placement

THC maintains a close relationship with numerous academic institutions and companies. Our partner organizations welcome the prospect of hiring highly inspired students. We work with potential employers committed to making THC the "Institution of Prime Choice" from which to recruit dynamic and talented students.

THC's Placement Employment Cell has been established to prepare our students for successful careers with companies and institutions. In addition to the opportunities for development provided by the academic programs, the center assists students through training, counseling and personal development of 'soft skills' in communications and teamwork. Students gain real business and teaching experience through internships with our partner organizations. These prospects give our students exposure to teaching and business practice and insight for their future careers.

PROGRAMMES WE OFFER

The courses at THC are designed to provide a holistic qualification and ability in the respective fields with the motto of imparting detailed knowledge and skills of current trends and practices in the market. Each course includes intensive understanding of the subject matter and exposure in and out of the classrooms to the chosen field through various workshops and project works.

Applying to THC

We keep our application process easy, simple and straightforward. THC attracts many students from Makwanpur, Chitwan, Sindhuli and districts of Province 2 and it is really important to us that each student receives proper support in the application process.

Entry Procedure

Students willing to apply to THC should go through four stages of admission.

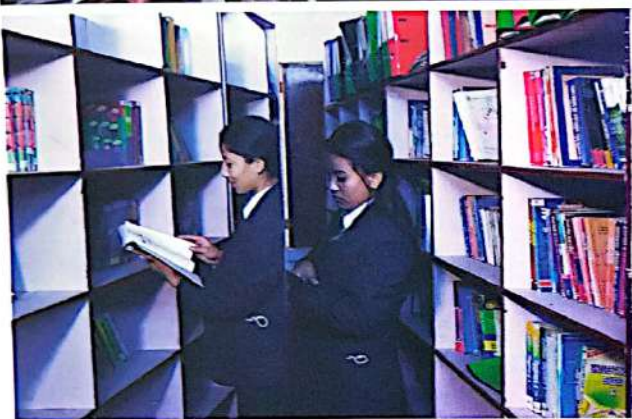

1. **Meeting the admissions team:** The admissions desk is set to address your queries related to the application, course and documents and validating your documents.
2. **Application and Submission:** THC administration will evaluate your application. You must submit your application with your physical presence. Follow the directions and submit all the required certified documents. THC will contact you if they require any further information.
3. **Entrance Test/ Interview:** This part of our admissions process is must as it helps us decide the entry point for your desired course.
4. **Welcoming you to THC:** Once your application is accepted, you will be invited to return to college for the enrolment process.

Documents Required

- 1) Official academic records of +2 and B.Ed.
- 2) Transcript issued by the boards.
- 3) Character certificates.
- 4) Entrance result for M.Ed.
- 5) Passport size photo

Exploring THC

THC Graduates

Mr. Sahadev Upretee
Current Post: Ast. Professor
at Central Washington
University

"Students will have the opportunity to experience the provincial city of Bagmati Pradesh. It is beautiful city protected by Churey and Mahabharat Hills. The flowing of Karnawoti and Rapti has added scenic beauty. The traditions, culture and arts can be lively experienced through ritual programs and religious places."

I find myself excited with the modality of the teaching strategies accompanied with pragmatic approach to learning. The Hetauda Campus has been rewarding with wonderful batch mates and many more creating opportunities in life.

The classes in THC was not only to listen only to listen teachers' lecture but to participate in learning for the overall development of personality. The academic standard is practical and delivered to inspire learning.

Ram Bahadur Thing
Current post: Section Officer
Education, Youth & Sport Section
Makawanpur Gadhi Rural Mnicipality

Partner Going Beyond Traditional Learning

M.Ed. programme is popular for its advance of convenient employable skills, research skills and academic literacy skills. Our classroom contents go beyond traditional instruction as they encourage students to implement learnt theories and knowledge of various elements that is real-world oriented and hands-on.

Soni Bista
